PRINCIPAL'S MESSAGE

Dear Parents/Whanau,

This week we have the Education Review Office (ERO) at school for the week. This is our opportunity to get feedback from a widely experienced group of ERO staff about what we do at Lakeview School. The reviewers will be here from yesterday (Monday) until Thursday. I will report back to you on their findings when we receive our report, which will be a few weeks after the review is completed

Nancy Smith Farewell

This week we farewell another Lakeview School teaching icon, with Nancy Smith retiring after having been away on sick leave since the end of last year. Nancy has given so much to the students that she has taught at Lakeview School since our foundation in 2004, and before that as a long term servant of Lansdowne School. Her values made her a sought after teacher; it was always easy for me to see why when I visited her classroom where I would see happy, engaged, focused children who were always working towards their potential. Nancy's farewell will take place this week as part of our school assembly. We would love you to come along to join us, with the assembly to start at 9.30am on the dot.

Parking – It has been brought to my attention that some parents are parking on the grassed areas in the junior carpark when collecting their children. Please refrain from doing this as these areas are becoming muddy and messy and you could potentially get your car stuck.

Leaders

Yesterday our School leaders attended the National Young Leaders Conference in Palmerston North. They were inspired with some fantastic speakers telling their amazing stories.

I am also pleased to announce Lily Matthews has been presented with a leadership badge as our new school leader. She will be a house leader for Waohine.

Kind Regards, Tim Nelson
